

Neighborhood Watch

NEIGHBORHOOD WATCH is a Crime Prevention program that involves citizens working with each other and with law enforcement agencies to reduce crime and victimization in their communities.

Neighborhood Watch involves:

1. Citizens protecting themselves and their property by using common-sense crime prevention practices.
2. Neighbors getting to know each other, watching out for each other and acting on or reporting suspicious activities.
3. Citizens working with groups, community leaders, and, more importantly, law enforcement agencies to sustain their safe community.

The Neighborhood Watch Program is comprised of Committee Members who serve as Area Captains assigned to area neighborhoods. Residents are provided detailed information as to who their Captain is as well as contact information. Block Captains serve under the Area Captains and report any unusual activity in their neighborhood.

If you haven't been contacted by a block Captain for emergency contact information, etc., contact your Area Captain above.

If there is no Block Captain for your street, perhaps you want to volunteer!
It's a great opportunity to get involved and meet your neighbors!
